MEMORANDUM FOR: Chief, Analysis Group, FBIS

FROM:

Chief, South Asia Division, NESA

SUBJECT: Commendation for Jerome Gilison

I want to commend [redacted] for his article
entitled [redacted]
[redacted] in the Trends of 8 May. I thought the
item was so well done that I included it in the June
issue of Developments in Afghanistan, a DDI serial
publication sent to a limited number of high-level
policy makers. The article was exceptionally thought
provoking and timely given the increased interest in
Soviet attitudes among senior policy makers. I hope
you will encourage [redacted] to look for additional
opportunities to provide us his views.
